This plot map is based on a hand drawn map provided by Mrs. Nell Netherton McLain. The map was originally drawn by Jack Howard Netherton and Rev. Jerry Clemons in 1960. Additions and location corrections were made using global positioning to graphically plot the graves that were clearly marked. Graves marked on the 1960 survey, but are not currently identifiable, were plotted using current visual references that were also identified on the 1960 survey. This map was completed August 8, 2005 by Scott Blackerby.
